

## Placer Planners To Hold Meeting At Tahoe June 24

### State, Federal Officials To Meet With Residents Of Tahoe

TAHOE CITY—Stewart Bryant, director of the Placer County Planning Commission, announced this week that the annual meeting at Tahoe will be held at the Tahoe City Community Center Friday, June 24 at 9:30 a. m. and extended an invitation to all interested persons to attend.

The meeting will be held jointly with the Placer County Board of Supervisors and other county officials and problems in the Lake Tahoe area of the county will be discussed and ordinances affecting the area gone over.

Four or five applications for sign variances will be acted upon and a review of the subdivisions in the district will be heard. New policies affecting the region will be reviewed, Bryant said.

In the afternoon state and federal officials will attend the meeting. They will include representatives from beaches and parks, the forest service and state highways.

The Friday meeting will follow a tour of the area by the commission Thursday and will be followed by a meeting at South Tahoe where the members will meet with representatives of the Tahoe Area Council to discuss problems of mutual interest to the five counties embracing the lake.

## Annual Jeep Trip Set For Weekend

The annual jeep trip and outing at White Rock Lake, sponsored by the Truckee Outdoor Sportsmen will be held Saturday and Sunday, Vice President Charles Osburn announced.

Osburn asked that anyone interested in the trip to contact him immediately so that plans can be made for those participating.

The tour will start from Osburn's Associated Station Saturday morning at 8:30 and after spending Saturday and Sunday at the lake the group will return Sunday evening.

A barbecue Saturday evening will be one of the highlights of the outing, Osburn said.

### SHIRLEY TAYLOR IS WED TO C. ROBINSON

Saturday afternoon in the Park Wedding Chapel at Reno, Nevada, Miss Shirley Taylor and Craig Robinson said their marriage vows in the presence of members of their immediate families, the ceremony performed by Rev. Ward.

The bride chose a gown of white eyelet embroidery with complementing accessories. She was attended by Miss Judith Vaughan. L. J. Robinson acted as best man for his brother. A dinner followed the wedding. Mr. and Mrs. Jack Taylor of Truckee are parents of the new Mrs. Robinson and Mr. and Mrs. L. J. Robinson of Kings Beach are the parents of the bridegroom.

The well known young couple plan to continue their schooling this fall, Mrs. Robinson finishing a course in a beauty school and Robinson will continue at Fresno State College. He has been a successful baseball pitcher, receiving the attention of scouts from various clubs.

### POLIO CLINIC TO BE HELD HERE JUNE 17

The Nevada County Health Department is offering polio and other immunizations for preschool children and adults at a clinic to be conducted at the old elementary school in Truckee between 12 noon and 1:30 p. m. on Friday, June 17. The doors will close promptly at 1:30.

It was pointed out that the polio season is now at hand and everyone is urged to complete their series of shots. A third shot is due if it has been seven months since the second injection. If a year has passed since the third injection, then the fourth is due.

### O.E.S. PLANNING FOR SUMMER RECESS HERE

June 21 will be the last meeting date of Truckee Chapter 116, O. E. S. until September 6 and will honor past patrons and past matrons.

Margaret Craig, W. M. and Sam Faulkner, W. P. will preside and Mr. and Mrs. James McIver will be the evening's hosts.

Georgia Blatchley and her committee will serve refreshments.

### Vet Officer Here

The Nevada County Veterans' Service Officer will be in Truckee on Friday, June 17, between the hours of 10 a. m. and 3 p. m. Anyone desiring to avail themselves of these services may do so at the office of Judge Posten W. Wilson, justice court during the hours indicated.

## Insurance Agents Form Organization In Local District

Organization of the Tahoe Sierra Association of Insurance Agents has been effected, according to an announcement by Tom Hoffman of the Tahoe Truckee Agency, Inc.

At the same time Hoffman announced that he has merged his Greater Lake Insurance Agency with the Tahoe Truckee Agency, Inc., formerly the C. Z. Smith Agency which was purchased by Festeren and Seawell of Roseville several weeks ago.

Hoffman will continue to maintain an office at his former location at Lake Tahoe but will be in charge of the Truckee office with Festeren and Seawell.

The association of agents was formed to include all responsible agencies in the boundaries of the Tahoe Truckee Unified School District. Members must conform to the rules and by-laws of the National Association of Insurance Agents; they must maintain an office in the district 12 months of each year and have at least one licensed agent or broker in the district for 12 months each year.

The first object of the association was to secure the school and hospital insurance and for this purpose the Lake Insurance Agency was designated as broker for the hospital and the Tahoe Truckee Agency for the school. The policies will thus go to various members of the association.

## Higgins In Charge Of Postoffice Here

Effective June 24, Richard T. Higgins will assume charge of the Truckee post office, according to word received here from Claud L. Moyes, senior field services officer at Sacramento.

Higgins has been employed in the office for the past two months, assisting Mrs. Higgins, who was acting postmaster following the accident last December which incapacitated Postmaster Elizabeth Bavier.

Mrs. Bavier has been unable to return to her duties in the local office since the automobile accident and currently is visiting with relatives in the east.

Prior to going to the postoffice, Higgins was employed by a local lumber company.

## SEARCH IS STARTED FOR MAID OF COUNTY

The Grass Valley Junior Chamber of Commerce is again conducting its search for a Maid of Nevada County and has extended an invitation to this end of the county to submit candidates.

The contestants will compete for honors July 30 in the Veterans' Memorial Building in Grass Valley. The first, second and third place winners will receive gift certificates worth \$125, \$75 and \$50 and the winner will also receive an all expense paid trip to Sacramento to compete in the Maid of California contest.

Contestants must be between the ages of 16 and 26, single, resident of Nevada County for at least six months and representative of this type of contest.

Names of candidates may be sent to Maid of Nevada County Contest, Box 1444, Grass Valley, Bill Moule, chairman of the contest, said.

## NED STUART AMONG CHICO GRADUATES

LAKE FOREST—Mr. and Mrs. J. R. Stuart, Mr. and Mrs. Lincoln Dempsey and sons, and Mr. and Mrs. Jay L. Stuart, all of Lake Forest, were in Chico last Friday evening to attend the commencement exercises of Chico State College when Ned R. Stuart received his bachelor of science degree in engineering.

Ned, who had completed his classroom work in February, has been employed since March 1 by the bureau of public roads and is presently assigned to a road project near Flagstaff, Arizona.

## WITH ARMSTRONG

Daven Morey, former manager of the Truckee Public Utility District, has accepted a position as salesman with the Armstrong Realty Company at Donner Lake.

## Leaving Here—

Mr. and Mrs. Wes Karasson who have made their home here for the past several years are reported to be leaving to live in a lower climate.

## Traffic Shows Big Gain As Truckee Station Is In Lead

### Huge Gain Over Last Year Noted In Report By State Agency

Nearly 10,000 more vehicles passed into California by way of the Truckee quarantine station during May this year than during the same month in 1959, according to the monthly report from the department of agriculture.

The report shows Truckee in first place as a port of entry into the state during May with 76,311 autos, 4,356 trucks and 907 buses. The passenger count for the month was 196,231.

The only station near Truckee in first place was Yermo which reported 73,942 cars for the month.

The May auto count at the Truckee station was 24,412 over the figure for April and indicates the fast growing popularity of Highway 40.

The Meyers station on Highway 50 last month reported 16,245 autos, 270 trucks and 46 buses and the total passenger count was 41,809. This was an increase of approximately 1,000 cars over 1959.

The tally does not include the east bound vehicles nor local cars.

SACRAMENTO—(CNS)—Traffic passing California's 17 border quarantine stations showed slight gains in all categories during May, as compared to the same month of 1959.

The department of agriculture, in reporting on the checking stations for the month, said 1,034,908 persons passed the border during May, in 225,271 California-registered automobiles, 157,784 out-of-state cars and 4,028 buses.

This compared with totals for May, 1959, of 972,652 persons in 213,635 California-registered vehicles and 143,293 out-of-state automobiles.

## RECITAL IS GIVEN BY ENGLEHART PUPILS

Pupils of Mrs. William Englehart, Jr., presented their third annual spring recital Sunday evening in their teacher's home for their parents, friends and relatives.

Piano numbers were performed by Sally and Ann Starratt, Jayne and Bro Schontz all of Tahoe City; Michelle DeLisle, Karel Sauby, Linda Russell, Gail Englehart, Monte Straub, Marcia Leamon, Rene Hall of Truckee.

The young people's selections were well received and an added interest was the recording on tape of the numbers by Merrill Englehart which were played back during the refreshment hour following the program.

Mrs. Englehart presented awards for progress made throughout the year and she was also presented with a gift in behalf of her pupils.

Out of town guests included Mr. and Mrs. Lee of Lincoln, Mr. and Mrs. D. M. Brodehl of Oakland, Mrs. Elliott McDougal of San Leandro, Mr. and Mrs. Jack Langille and Miss Shirley Langille of Boise, Idaho.

## LAST RITES ARE HELD FOR WILLIAM T. UREN

Funeral services for William Thomas Uren, 68, were held Wednesday at the Chapel of the Hill, with interment following at the Auburn cemetery.

The deceased was the father of Mrs. Harry Stout of Truckee and with his surviving wife, Mabel, was a frequent visitor here with his family. A granddaughter, Linda Stout also survives.

Uren was a native of England and a resident of Auburn for the past 12 years. He was a member of I. O. O. F. Lodge No. 153 in Michigan.

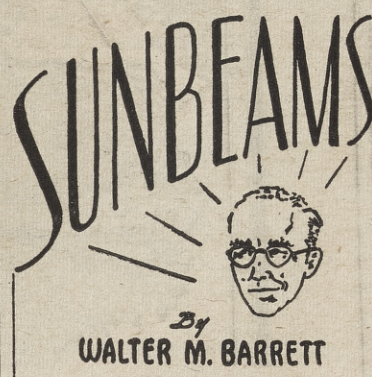

## JAMES HARRIS ARE PARENTS OF GIRL

Mr. and Mrs. James Harris became parents of a daughter born Friday, June 10 at Reno.

The little girl has been named Jan Elene and her arrival weight was 6 pounds, 9 ounces. Mr. and Mrs. J. E. Harris and Mr. and Mrs. Tony Ghirard are grandparents of the newcomer.

## NEW STORE HOURS

Zeph Rose, manager of the Z Market here, announced that the new store hours, effective immediately are from 9 a. m. to 9 p. m. every day of the week.

The Truckee Donner Chamber of Commerce, we believe, should offer full cooperation to the E Clampus Vitus Chapter of the western end of the county in installing a plaque on the site where the ill-fated Donner families spent the tragic winter of 1846. The chapter, in placing the plaque, is not encroaching upon a local right or privilege, but in keeping with its policy, is marking one of the most important locations in the history of early California. Living, as we do, in the very heart of this traditionally historic community, we are inclined to overlook or neglect such things as is planned by our neighbors. For instance, it took no little effort to restore the old Rocking Stone Tower into a permanent landmark and there were even some objections to this accomplishment. We have numerous historical sites in the district and should appoint a good historian to mark these places and keep them before the public.

## Bell Arrives Here As TPUD Manager

Wilbur L. Bell has arrived from Sterling, Massachusetts, to take over the management of the Truckee Public Utility District. He assumed his new duties here Monday and is enthusiastic over the prospects for the community and the district.

Bell was formerly with the Sterling Municipal Light Plant in the east and has had years of experience in plant management, personnel supervision and other phases of utility development and management. He is also thoroughly familiar with accounting procedures, administration, inventories and costs.

Currently the new manager is acquainting himself with local conditions and has some definite plans for bringing the district up to modern condition.

Mrs. Bell and the couple's four children are remaining in the east until about the first of July at which time they will come here to make their permanent home.

## LOCAL PASTOR TAKES PART IN CEREMONY

Father P. J. O'Neill last week participated in the ground breaking ceremonies marking the start of construction of the new St. Theresa's parish school at Al Tahoe. It is proposed to have the school completed for the start of the 1960 fall term.

Father John J. Grace, pastor at Al Tahoe, lifted the first soil at the ceremony.

Fund program aimed at \$291,000 covering debt and building needs is underway.

Sisters of the Immaculate Heart of Mary at Hollywood, will staff the new school, Father O'Neill said.

## TAHOE SQUAWS PLAN LUAU AT LAWTON'S

TAHOE CITY—The Tahoe Squaws and their guests will enjoy a luau at Lawton's near Reno Saturday evening June 18, according to publicity chairman, Mrs. L. Van Wetter of Squaw Valley.

A previous meeting, June 8 was held in the Tahoe City home of Mrs. John Anderson who served brunch to the group. Plans are being completed for the rummage sale to be held July 8 and 9 in the Tahoe City school building.

The event's proceeds to be given for the benefit of the Tahoe Forest Hospital.

## CHRISTIAN SCIENCE LECTURE JUNE 19TH

A free public lecture entitled "How Christian Science Heals Fear", will be given by Richard L. Glendon, C. S. of Los Angeles, Sunday, June 19 in the First Church of Christ, Scientist, Reno, Nevada.

The public is cordially invited to attend and the nursery is open.

Mrs. Tony Maher of Roseville was a recent guest of Mr. and Mrs. Oscar Schumacher.

## Graduates Given Special Awards During Ceremony

### Scholarships Are Presented As Commencement Held Here

The gymnasium of the Tahoe Truckee High School was well filled last Thursday evening when diplomas were issued to the 61 graduating seniors.

Highlights of the evening was the presentation of special awards and scholarships to the outstanding and deserving students.

The coveted Bank of America Trophy went to Lawrence Mark Jellin, vice president of the class and he was also awarded the Bank of America certificate in science and mathematics.

Judy Ann Fanger was the recipient of the bank's certificate in liberal arts, while the fine arts certificate went to George Douglas Ball and the vocational arts certificate to Diane Leona McGilhon.

Linda Lois Morrell received the \$500 scholarship presented by the Soroptimist Club.

Other scholarships awarded as follows: Lake Tahoe Lions Club Ray Sorensen Memorial, \$100, to George Douglas Ball.

Tahoe Truckee Educational Association, \$250, to Judy Ann Fanger and \$250 to Judith Catherine Beck.

Tahoe Truckee High School P.T.A., \$100, to Dianne Leona McGilhon, and \$100 to Joan E. Uhloff.

Carol Ann Quilici Scholarship Award, \$100, to Lydia Sue Craig.

Rainbow Girls and Order of DeMolay Boys, \$150, to Blanche Lola Ploff.

Independent Order of Odd Fellows, Harry S. Eaton Memorial, \$150, to David Gary Henry.

## THREE CAR MISHAPS REPORTED IN AREA

Three motor vehicle accidents, in one of which a Quincy man was cited for drunk driving, were reported by the California Highway Patrol during the weekend.

Fred Eule, 34, Quincy, was cited after his car failed to negotiate a turn at Hobart Mills Saturday at midnight and crashed into a tree. Eule and his passenger, Burney Cook, were taken to the Tahoe Forest Hospital for treatment.

Debbie Bradley, 17, Tahoe City was cited for excessive speed after her car overturned on the highway at Kings Beach injuring her passenger Blanche Ploff, 18. The injuries were not serious. The mishap occurred Friday at 1 p. m., the patrol reported.

Claude Scoggins, Del Paso Heights, was injured Saturday afternoon at 4:30 when the motorcycle he was driving ran off the highway on Donner grade.

## NEVADA ROOM WILL OPEN ON JUNE 30TH

CRYSTAL BAY—The Nevada Lodge, located at the scenic north end of Lake Tahoe, will mark the start of the summer season with the opening of its Nevada Room on June 30.

The Nevada Room's spotlight will be focused on some of the nation's top entertainers in a review that combines the talents of more than a dozen performers.

At the same time, the casino-bar, on the main floor, will feature three well-known vocal, instrumental and comedy groups.

## APPLICATION MADE FOR PIER AT TAHOE

WASHINGTON, D. C.—The army corps of engineers has advised Congressman Harold T. (Bizz) Johnson of the 2nd, valley mountain counties, district that an application has been made to construct a pier in Lake Tahoe.

Mildred Mathias, Carmelian Bay, made the application for the pier at Lot 2A in the Agate Bay Shore Subdivision, Placer County. The federal permit concerns only the public rights of navigation.

The application is on file in the Sacramento office of the army's district engineer, Colonel H. A. Morris.

## Annals Arrive

The students annual books have arrived and may be obtained in the Tahoe Truckee High School building Monday through Friday, between the hours of 8 a. m. and 4:30, C. W. Sciutto announced.

## Golf Club To Meet Tuesday To Name Officers For Year

Officers will be elected and other business transacted at a meeting of the Shadow Valley Country Club to be held in the office of the justice court Tuesday, June 21 at 8 p. m.

The principal purpose of the meeting will be to discuss the most practical and suitable means of financing and building a club house on the new golf course on the Brockway cutoff just south of Truckee.

Suggestions of incorporating and selling shares and private ownership will be discussed.

The Shadow Valley Country Club was organized last year for the purpose of conducting social functions in connection with the golf course activities and to assist in various other phases of the overall operation of the course.

It is pointed out that those attending need not be members of the club and everyone interested is invited. Opinions and suggestions from anyone will be welcomed and given full consideration, according to Mrs. Karl Kielhofer, an officer of the organization.

## Organize Fight To Stop Forest Fires

A recent analysis of man caused fires made by Fire Control Officer Nelson Stone of the Truckee Ranger District shows that in the Lake Tahoe-Truckee area over 70 per cent of the total fires during a 25 year period were caused by careless smokers. Over half of these fires have been attributed to careless smoking by local residents. This conclusion should be cause for serious thinking by residents who are dependent upon the resources offered by a forested area.

The loss of a forest by fire would have immediate disastrous effects on the economic status of our mountain communities. Recreation, watershed, wildlife, and timber harvest bear the heaviest burden of losses by fire and these resources are what we have to offer the visitors to the mountain areas.

To help combat the risk of loss by fire the forest service is implementing an immediate emergency plan aimed at solving the origin of forest fires by careless smokers.

All of the fire patrolmen have been summoned to a specialized school in which they will be trained in the techniques of apprehending and conviction of violators who indulge in careless smoking in the woods.

Due to the seriousness of the current fire danger and the recent outbreak of smoker fires it is emphasized that arrests will be in order. The past policy of issuing educational warning notices has been suspended.

## PLACING OF PLAQUE AT ALDER DELAYED

Robert Paine, a member of the William Morris Stewart Chapter of the E. Clampus Vitus at Nevada City reports that the ceremonies marking the installation of a plaque at the site of the Donner family camp on Alder Creek has been postponed until later in the summer.

It was originally planned to install the plaque with brief ceremonies next Saturday, but developments have made it advisable to postpone the affair until July or August, Paine said.

## TRUCKEE WATER IS PRONOUNCED PURE

Area Sanitarian Richard Walker who has just completed an analysis of the water in the Truckee Public Utility District System, reports the water is pure beyond question.

Not one test showed the count below 2.4, while a safe margin is 240, the sanitarian reported.

## Vandalism at P. O.

Due to the increased vandalism of the post office lobby it has become necessary that the post office door will be locked at approximately 11 p. m. each night and will be opened again at 7:15 each morning, Anna Mae Higgins, acting postmaster, announced.

## At Capital—

Mrs. William Englehart, Jr., was a Tuesday Sacramento visitor, attending a graduation ceremony which included John Hippen.

## Fire Near Donner Offers Threat To Homes In District

### Third Fire In Day Hits In West Donner Area On Monday

The Donner Lake community was seriously threatened Monday afternoon when the third forest fire reported that day wiped out 15 acres of timber and brush land before it was brought under control about 8 p. m.

It was the fifth fire reported in the Truckee district of the Tahoe National Forest this year and this indicates the very dry condition existing in the woods.

Dispatcher Henry Toccalini of the forest service said that it was believed the fire was caused by a careless smoker in the area. It started just north and west of the foot of Donner grade and spread quickly in the brisk west wind which prevailed at the time. Two houses in the immediate vicinity were threatened.

Immediately after the start of the blaze, forest service equipment was called from Big Bend, Sierraville and White Cloud as well as from Truckee, Donner Lake, Squaw Valley and Tahoe City also responded and heavy equipment was supplied by Heim Brothers, Clements Rock Products, Shorty Harris, Isbell Construction and the County of Nevada.

A patrol was kept on the fire during Monday night and was augmented by a mopping-up crew Tuesday.

## OTHER FIRES

At 6 a. m. Monday morning a fire a quarter mile east of the freeway east of Truckee was believed started by careless picnickers. Only a small area was burned over before the flames were extinguished.

At 11:30 a. m. Monday another incipient fire was quickly stopped a mile north of Bennett Flat on Trout Creek. This, too, was blamed on a careless smoker. It was in a bad location and could have easily developed into a major fire had it not been for the quick work of the Isbell Construction Company crew which held it to ¼ acre.

Forest Ranger Roy Saarni said that the forest is unusually dry and urged more than passing caution by everyone entering the forest. At this time, a small spark might well set off a conflagration which could soon be out of control, he added.

## AL HENRY FETED AT SURPRISE BARBECUE

TAHOE CITY—Al Henry's birthday June 11 was the occasion for a surprise barbecue given by Miss Alice Wirtz at Squaw Valley. Jean, Al's wife, Mr. and Mrs. Dave Donaldson and Mr. and Mrs. Malcolm Fox assisted in the arrangements.

Other birthday observances this month included those of Phil Geier, Fred Planet, Ray Huston, who is recovering from a broken hip, Mary Languth, Shirley Conger, Herbert Obexer, Kjell Rustad, Ethel Vernon, Norman Mayfield, Barbara Spitsen.

It has been wedding anniversary time recently for Mr. and Mrs. Rob Watson, Mr. and Mrs. Ray Fellows and Mr. and Mrs. William Conger. Best wishes to all.

## BOX FOR LATE MAIL NOW AT POSTOFFICE

Beginning June 15 an added service has been inaugurated by the Truckee Post Office by the placing of a post office letter drop box in front of the building from which mail will be picked up and dispatched until 7 p. m.

Richard Higgins, clerk in charge said that the addition was made primarily through the efforts of the Truckee Donner Chamber of Commerce and other business men who had requested the service.

## DONNER TRAIL FIRM HAS LOCAL OFFICE

Mrs. Eve Popovich this week announced the opening of a downtown office of the Donner Trail Real Estate for the convenience of local patrons. The new office is in the building formerly occupied by Wilson Insurance and Betty Kielhofer will be in charge.

Mrs. Popovich said a popular demand made it necessary to open a second office, the original being in Donner Trail Estates, west of here.

## UNUSUAL PLATE ON DISPLAY AT STORE

A completely white cameo patterned plate of Jasper ware, Wedgwood is the plate of the week at Heller's Variety.

The factory had a brief history, from 1773-1781 during which time the Empress II of Russia is said to have acquired a collection of this ceramic.

## Wedding Date—

Mr. and Mrs. Everett Parker celebrated their wedding anniversary this week, receiving felicitations from their friends.

## AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO—(CNS) The pub-  
lic might well look with suspicion  
on what appears to be a drive  
on well known drug brands. First  
federal probes have divulged the  
fact that prices allegedly as too  
high, and second, Governor Ed-  
mund G. Brown has proposed a

way to save money spent on brand  
name drugs.

The governor has suggested that  
the state board of social welfare  
adopt a new policy which would  
eliminate payment for brand name  
drugs for public assistance recip-  
ients, when equally effective brand  
name drugs are less expensive.

He said he had been told by one  
of his secretaries that the state's  
savings under this policy could  
approximate \$500,000 annually.

Explaining, he said:  
"Of course, I asked them a ques-  
tion: if we can save that amount  
of money why doesn't everybody?

## Army's Summer Polar Research Activities Announced...

TWO MAJOR ARCTIC EXPEDITIONS encompassing both air and surface movement across the  
Greenland Ice Cap area will be undertaken this summer by special Arctic task forces of the Army's  
Transportation Environmental Operations Group of Fort Eustis, Va. Part of an overall program to  
develop techniques for transportation support operations in difficult environments, the expeditions  
have been dubbed "Top Dog" and "Lead Dog." In addition to trail blazing, scientific obser-  
vations will be made by scientists accompanying the party.

Why doesn't every citizen save that  
amount of money in these things?"

Someone interrupted the press  
conference at this stage, and no  
more was said on the matter of  
drugs. However, there appears to  
be much more to be said.

One of the answers to the gov-  
ernor's question might be that the  
brand names over a period of years  
have built up public confidence  
through advertising, and the suc-  
cess in use of the brand name  
drugs has created a return market  
that is hard to shake. This affects  
private purchases, and has nothing  
to do with state buying for institu-  
tions, etc.

Also, it might be hard to shake  
the confidence of the people who  
are recipients of public assistance  
in the well-known brand names.  
This, too, has been built up over  
the years, and it is harder to  
change the ways of the elderly  
than others who might accept an  
unknown brand in place of those  
that are well known.

In any event, putting two and  
two together, there appears to be  
some sort of a drive on the ad-  
vertising of drugs. The federal  
probes did nothing to continue  
confidence, and granted they were  
justified with relation to pricing,  
they still helped to minimize the  
faith people have in brand names.

Then the state board of phar-  
macy recently held a hearing at  
Fresno, at which it considered a  
rule which many felt would have  
eliminated drug advertising com-  
pletely. The board, under attack  
by the governor's consumer coun-  
cil, modified its rule, and took no  
action on it. It was "taken under  
advisement", a move resorted to  
by many state boards and com-  
missions when they are caught up  
in attempting to regulate by bur-  
caucracy those things that are not  
regulated by law.

And as a last indication, the re-  
marks of the governor appear to  
leave the impression that the years  
of advertising and building up the  
brand names should be shunted  
off in favor of less known brands,  
which have spent nothing or very  
little letting the public know what  
kind of goods they sell.

While it is no secret that people  
generally seek the best goods for  
the lowest price, there neverthe-  
less is a psychological factor in  
purchase of drugs, and a good  
many people consider the name  
before the price. This could hap-  
pen in the governor's suggestion  
to force other drugs on public as-  
sistance recipients.

## DONNER SUMMIT NEWS

By DONNA I. POWER

### UTILITY DISTRICT MEETS

A plan to eliminate the now present iron deposits from the pipe system serving domestic water to Donner Summit Public Utility District water users was discussed at Wednesday's meeting of the utility district board of directors held in the Donner Summit Lodge. The board under the chairmanship of Max Williamson discussed the sur-

vey of the needed work to be furnished by the firm of Dwanton and Stowell of Auburn by the board's July meeting. It is believed that the water at its source in Lake Mary is nearly pure and that it causes rust in the pipe line making the construction of a purification plant to inject an additive to control corrosion necessary. This and other changes in the water supply system will be included in the figure asked for at an election to be held approximately 70 days following the report from the Dwanton Stowell firm. Also present at the meeting to explain the Southern Pacific interest in these matters was Bud Parker. The di-

rectors present, Harry Pratt and Bill Cannon, expressed hopes that the work on this project including the election and construction will be complete this fall. Interested residents present at the meeting were Mr. and Mrs. Ray McCarty, John Johansen, Lloyd Gay, Donna Power and District Accountant Ray Carlyle and Clerk Clyde Burkey.

### SCHOOL OUT

Looking forward to a summer of "fun in the sun" are the 47 students of the Donner Trail School who are out of school for the summer vacation. Work is soon to begin on the present building to include painting and repairing on the interior and exterior, by Frank Zoll custodian and bus driver.

### YACHT CLUB

In preparation for the summer activities at Lake Tahoe, the Tahoe Yacht Club has elected its 1960 officers and directors who are Commodore J. Allen Bray; Vice Commodore Stanley W. Good, Jr.; Rear Commodore A. R. Westphal; Port Captain Mike Brown; Secretary and Treasurer, R. Randolph Walker; Director-at-Large, Ollie Greenlee, and J. Philip Murphy. Weekend water sports events of interest to the spectator and water sportsmen have been scheduled throughout the summer with final plans to be made July 2 at the group's annual business and plan-

## STRIKES & SPARES

BY JOE WILMAN

**LACK OF  
CONCENTRATION  
RESULTS IN  
BOWLING MISTAKES!**

Human nature is funny. It  
causes us to make mistakes for  
some of the silliest reasons.  
Take my friend "Overconfident  
Oscar," for instance. He's an  
excellent bowler with a working  
ball, fine control and pin point  
accuracy. It's hard to figure  
how he could make many bow-  
ling mistakes, but his score is  
kept down by his over-confi-  
dence.

Oscar tends to relax on simple  
shots. In shooting the 5 pin  
spare, for instance, he figures  
he can't miss a single pin in the  
middle of the alley, so he makes  
the mistake of underestimating  
the shot. He doesn't concen-  
trate enough. As a result, he'll  
goof up somewhere along the  
line.

Maybe he'll shoot it from the  
wrong angle. Maybe he'll drift  
a bit in his approach to one side  
or the other instead of walking  
directly toward his target. Or,  
perhaps he'll miss his spot out  
on the alley due to lack of con-  
centration. The result is a blow.

No matter how simple a shot  
is, don't loaf on it. Concen-  
trate completely. Be thinking of  
what you want to do, even when  
you pick up your ball at the ball  
return. This applies, too, to  
certain alleys. Some are easier  
than others for certain bowlers.  
So, they tend to loaf a bit. This  
can be fatal.

Don't be over-confident like  
Oscar. Every time you get up  
on the approach, concentrate on  
what you want to do.

## Uniform Rules For Boating Proposed

KINGS BEACH—Uniform boating regulations for the five counties surrounding Lake Tahoe are the goal of a meeting to be called by Lachlan M. Richards, chief of the California Division of Small Craft Harbors. The small craft harbors commission directed Richards to meet with representatives of the counties and other affected agencies after hearing testimony of boating law enforcements Monday at a meeting in the Kings Beach Elementary School.

Richards said regulations promulgated by the commission

should make it unnecessary for individual counties to have boating ordinances other than those dealing with strictly local problems. Chairman Donald P. Loker said the commission would be willing to consider changes in its regulations which may be necessary to establish uniformity with rules laid down by the State of Nevada.

Representatives of the United States Coast Guard pointed out they are concerned primarily with search and rescue work and enforcement of federal boating laws while local officers are responsible for enforcement of state and county regulations.

Richards reported there have been 92 boating accidents in the state since April 1 resulting in 11 deaths and 60 personal injuries. As of June 8, he said, 197,200

## FOR NEW LAKE TRACT CONTRACT AWARDED

RENO — A contract has been signed by the Crystal Bay Development Company and an engineering subsidiary of Morrison-Knudsen Construction Company providing for design of both a water and sewer system for the proposed development of 9,000 acres of Lake Tahoe's Incline Valley.

The contract was signed following a meeting among development company executives, headed by Arthur L. Wood of Reno, president, and F. H. Merrick of San Francisco, representing the International Engineering Company, and Colin H. Handforth of a Marysville, civil engineering, surveying and mapping firm.

The development company insisted the contract provided all planning would "be strictly within the letter of the law regarding water and sewage."

The development company announced purchase of the more than 14 square miles in the north shore area of Lake Tahoe more than a week ago for a price of \$25,000,000.

small vessels have been registered. The number of small boats in California has increased from 130,000 in 1956 to more than 300,000 in 1960.

John's account of the healing by Christ Jesus of the man who "was blind from his birth" (ch.9) will be included in the Bible readings. From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read (539:27-30): "The divine origin of Jesus gave him more than human power to expound the facts of creation, and demonstrate the one Mind which makes and governs man and the universe."

The Golden Text is from Nehemiah (9:6): "Thou, even thou, art Lord alone; thou hast made heaven, the heavens, with all their host, the earth, and all things that are therein, the seas, and that is

therein, and thou preservest them all; and the host of heaven worshippeth thee."

Also next Lord's Day will be the happy occasion of another infant dedication. Mr. and Mrs. Donald Prouty will bring their infant son, Raymond Christopher Prouty for Christian dedication. The child's sponsors will be Mr. and Mrs. Dallas L. Hughes.

## WHAT'S DOING

L. R. deGallery, your Telephone Manager in Tahoe City

Here's one way to go from coast to coast and not leave town. This young lady will soon call lots of places every day on her new job as a long distance operator. Here she's at a practice switchboard, training with a phone woman who learned the job in this way too. Other new people starting out in the telephone

business will get training for different jobs—and get paid while learning. It's the first step in helping them build fine careers for themselves. And, of course, good training like this means good service for you.

Tool chests on wheels. That's what you could call the familiar telephone installation trucks you see here in town. And very accurately, too. Because when they roll out for a day's work they carry everything needed for any job . . . from

screwdrivers to shovels to a full line of color phones. Generally, they carry about 400 pieces of equipment and tools. Stocking up the trucks so they're ready for everyday jobs—and for most "unexpected developments"—is another way telephone people work to bring you good service, quickly and efficiently.

On Friday, the 10th of June the popular North Shore Club opened its doors to a large public gathering.

**BAL TABARIN OPENS**  
Once again the Bal Tabarin opened for the season. Looks as though all the openings are in order. We wish them all a successful season.

**V. F. W. AGAIN**  
Yes, the gathering at the Nevada Club was a hilarious affair, beautiful banquet, two nights in a row for my wife and I to be guests; both real swell. Many of the officers were presented with citations for their accomplishments during the past glorious years with the wonderful organization.

**WEDDING?**  
Performed the wedding ceremony for Les Fry and Jean Fry, same name, past commander V. F. W. After the wedding was over, the honeymoon was spent in Reno. Before the ceremony, Joy Plunkett, looking very beautiful, sang as a surprise to all of those present, a beautiful song in German. There was four or five hundred present then the wonderful convention came to a close for this year.

Of course the Crystal Bay Club was responsible for the glorious time. Ray Plunkett and Wiley Jones did a great part and were complimented on all sides for their efforts. We appreciated being guests at both affairs.

**GOOD WISHES**  
Congratulations to Craig and Shirley Robinson, we wish them many years of happiness.

**SICK**  
Sorry to hear about Sue Inlow having her little attack. Take care of yourself Sue, we wish you a good recovery.

**HOSPITAL**  
Now I hear that George Harrison, brother of Sam Harrison over the street from us has been taken to the St. Mary's Hospital very sick, the nature of which is undetermined at the moment. We are hoping it will not be serious.

**BOYS HAVE IT**  
Another boy, No. 4 for Susann and Roy MacMillan in Altadena, born Tuesday, May 31. His name is Andrew (Andy) Charles MacMillan. Susann is the Andy Sorensen's daughter-in-law. John and Loma Moore are vacationing at Tahoe for two weeks with Sorensens at Tahoe Vista and with the Ed Moores in Grass Valley.

## BURNED OVER AREA IN TAHOE FOREST IS PLANTED BY SERVICE

The Tahoe National Forest has completed the biggest tree planting program in its entire history.

Hal Turner, timber management officer, gave this information in a prepared statement this week. A total of 527,000 seedlings were planted on 1321 acres.

Most of the planting was on the Cold Creek burn near Sierraville, where 1084 acres were reforested. The planting stock was 147,000 jeffery pine and 247,000 ponderosa pine, all two years old, from the Mt. Shasta nursery. The work was contracted by competitive bidding. McCready Reforestation Company of Oswego, Oregon, was the low bidder. The actual work was done by local labor.

The Foresthill district planted 129 acres on the Big Reservoir burn. The planting stock was 16,000 ponderosa pine and 10,000 sugar pine. This was mostly one-year old stock from the Placerville nursery.

The Nevada City district planted 63 acres of brush fields at Walls Flat and Steep Hollow. The brush was stripped and winrowed with bulldozers last summer. The area was restocked with 20,000 ponderosa pine and 8,000 sugar pine. Most of the ponderosa were three years old from the forest service nursery in Oregon. However, the seed had been collected in Nevada County. The sugar pine was two years old

from the Placerville nursery.

The Comptonville district planted 17 acres on the Wayman burn with 8,000 one-year old ponderosa from the Placerville nursery.

The Big Bend district planted 30 acres at Blue Canyon and near the Cedars Lodge. At Blue Canyon a replant was made where a former plantation failed. The stock was 11,000 jeffery pine and 2,000 ponderosa pine from the Placerville nursery. The planting at the Cedars was 2,000 three year old white fir seedlings from the Mt. Shasta nursery.

All the planting on the west side of the Sierra was done by regular forest service personnel, with the exception of 10 acres at Forest Hill, contracted by William Richardson of Comptonville.

Turner stated that the large fires in 1959 will require planting projects each spring for the next three or four years. The forest service plans to step up its pro-

gram of converting brush fields to pine plantations.

There were 105,191 forest fires in the United States in 1959. Abraham Lincoln gave his last public address on April 11, 1865.

## BLISS PARK WILL BE ENLARGED THIS FALL

**EMERALD BAY** — Preliminary  
construction will start late this  
summer on 50 or more additional  
camp sites in the D. L. Bliss State  
Park. This was announced by Earl  
P. Hanson, deputy chief of opera-  
tions for the state division of  
beaches and parks.

Hanson visited the park recent-  
ly accompanied by Clyde Newlin,  
district superintendent, and James  
Warren, supervisor of development  
for beaches and parks division.

He said the work here is part of  
a statewide program to develop  
1,500 new camp sites to help meet  
the growing demands for such  
facilities.

There are 218 developable camp  
sites in the D. L. Bliss and Em-  
erald Bay State Parks which have  
a combined area of 1,829 acres.

Newlin said this number ulti-  
mately will be expanded to be-  
tween 300 and 400.

Park officials said the dry win-  
ter has cut the park's water sup-  
ply below the normal level and  
hot water for showers may have  
to be curtailed at times during the  
camping season.

## DONNER DOINGS

By VIRGINIA O'BEAR

There was much excitement at Donner Lake Monday afternoon when a forest fire was raging at the foot of Donner Summit. A lot of people were plenty worried as there was a strong wind and it could have been quite serious if fire fighting groups from all over the area had not shown up. The people of Donner Lake can well be grateful to all of the fire departments, the division of forestry, all the construction companies who loaned their equipment and to the large force of men who fought the fire and kept it under control. A group of men stood by all night to prevent any further fire after it was brought under control in the early evening. Sandwiches were provided to the fire fighters and the disaster committee of the Ladies Auxiliary of the Donner Lake Volunteer Fire Department furnished coffee. This should serve as a reminder to all of the people here to be very careful while burning in incinerators and a safety check-up in the home would prevent serious damage as everything is so dry this year.

Since we are on this fire subject, I would like to mention an article I read in the May issue of Readers Digest. It appears on page 60 and the title is "Is Your Family Safe From Fire?" In case you missed it and cannot find a May issue, reprints are available for four cents each by writing to Reprint Editor, The Readers Digest, Pleasantville, N. Y. It would be a good idea for every home to practice the simple rules listed so in case of fire, everyone would know what to do and how to escape safely and quickly. It listed a plan for testing, practice, special practice, escape plan and an outside assembly point. Monday's fire really made me realize how important it is to know these things as I had my children and pets all ready to go if the fire had gotten to our part of the forest.

A delightful luncheon was enjoyed at the home of Dollie Harris last week when Dollie invited "Miss Donner Lake," Joanne Pomin and her princesses and the royal court, Jan Ambler, Shirell Hansen, Donna Barnes, Stephanie Firpo, Varian Frey and Joan Brown met with invited auxiliary members Bess Reid and president Jean Walker. Many things were discussed concerning this Saturday's parade in Reno as the girls will appear on a beautifully decorated float to advertise the Donner Lake Regatta which will be July 10. Their scheduled activities will be an appearance on the Bill Rase show over Channel 3 KCRA TV on July 2, Saturday at 5 p. m. The girls will appear at the barbecue on Saturday July 9 and will be at the Firemen's Ball that evening at Donner Lake Lodge. Sunday, July 10, the girls will reign at the regatta and at five o'clock at Donner Lake Lodge they will appear to award the trophies to the winners. After the delicious lunch served by Dollie, the girls returned to school and Bess and Jean returned to work. The girls are still talking about the tuna salad and the hot biscuits that they enjoyed so much. I am sure the auxiliary will be proud of Dollie for taking such an interest in the girls and her position as chaperon.

The Ladies Auxiliary will meet at the Bird 'n Bottle this Thursday evening at 7:30. Hostesses for this meeting will be Rosalie Brack and Joanne Affeldt. The menu will be an enjoyable one as we are having sirloin steak as the entree. This is the last meeting before the regatta so I know the members will be interested in the many reports and the wonderful progress with plans made for the parade, barbecue, the souvenir program, dance and the races. Things are well in hand and a very enjoyable meeting will be had. A board of director's meeting combined with the planning committee was enjoyed Monday evening at the home of Dollie Harris, secretary of the Auxiliary. After the meeting, a delightful dessert was enjoyed by the many members as Dollie had several choices of ice cream, a variety of toppings for sundaes and banana splits, topped with whipped cream and marshmallow cherries. Cookies and coffee topped this very pleasant evening.

Board members of the Donner Lake Volunteer Fire Department along with race chairman Charles O'Bear are meeting every Wednesday evening at the home of Roy Slate to prepare the Donner Lake Regatta so it will be bigger and better and more exciting for all. The placards advertising the races went to press Monday and Mr. Barrett of the Sierra Sun will do the printing and they will be ready for distribution this weekend. The souvenir program that is given out free each year went to press also and Mr. Barrett will have them ready in a few weeks. The firemen and the ladies auxiliary are grateful to all who have advertisements in this program and to the ones who have helped make this yearly event possible.

School is out and it does seem

## Officers Seated For VFW Groups

Mrs. Benjamin F. Winn

CRYSTAL BAY—Mrs. Benjamin F. (Velma) Winn, Reno, became president of the Ladies Auxiliary, Department of Nevada, Veterans of Foreign Wars at the 26th annual convention held at Crystal Bay, June 9-11. She succeeds Mrs. Ed Gillam of Las Vegas.

Mrs. Winn was installed by Mrs. Edwin Giannotto, of Reno, national alternate hospital director, and

good to hear the patter of little feet around the home during the day now. Come September I hope I won't miss this "togetherness" that we have been enjoying lately. We have been going fishing and enjoying the warm sunshine and believe it or not, we have been getting our limits of fish. If you go by our place and see a little ten-year-old pony-tailed youngster on our float fishing, it's our daughter Jennifer. She can swim so I let her fish alone occasionally but Mike has to do his fishing along with "mom" or "dad" until he gets a little older and can swim. Happy summer to all you mothers with children home from school.

## REV. EVANS WILL BE PASTOR AT SQUAW

SQUAW VALLEY—On Sunday, June 19 the Rev. Frank Evans, will begin his work as the first full time pastor of the new United Church of Christ of Squaw Valley. The subject of Rev. Evans' first sermon will be "Reunion With God." The services will be at 9 and 11 a. m.

Between the hours of worship there will be an informal coffee hour to discuss the nature and purpose of the ministry of the United Church of Christ of Squaw Valley. Rev. Evans is a graduate of

past Department of Nevada president, assisted by Past Department Commander Benjamin F. Winn and Past Department Commander Joseph Feldstein at joint installations ceremonies preceding the banquet at the Nevada Lodge. She is the youngest president ever to be elected to this high office in Nevada.

The new president served as senior vice president of the state organization and has held all chair offices with the exception of the office of chaplain. She is a member of the Ladies Auxiliary to Reno Post No. 407 and served that organization as president in 1955.

Mrs. Winn joined the Ladies Auxiliary in 1953 and her eligibility came through her husband Benjamin F. Winn who served with the U. S. Navy. This is the second time in the history of the Nevada Veterans of Foreign Wars that a husband and wife have served in the capacity of president and commander. Winn served as department commander of the state in 1957.

She is the mother of two children, Michael, 11 and Anita, 8. Mrs. Winn is a den mother of Cub Pack No. 303; a member of the Sierra Vista PTA; Reno Republican Women's Club; Young Republicans; Sagehen Rod and Gun Club; and the Reno Ward of the LDS Church.

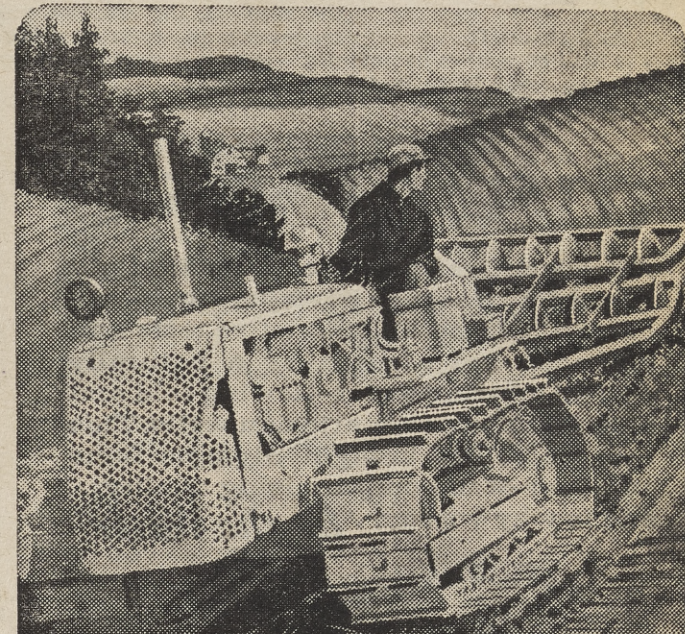

Mrs. Winn is a native of New Mexico and came to Reno as a child and attended local schools. She is the former Velma Kuykendall.

Carleton College where he majored in philosophy and the Pacific School of Religion where he received his Bachelor of Divinity degree in 1958. He comes to his present position after serving as associate minister of the First Congregational Church of Fresno where his major responsibilities have been in youth and parish activities although he served for

## Tahoe Items

Changing addresses this month include the John Stephanis leaving

last Friday with Ralph Violet who has his camp on Castle Creek. The ten brook trout, averaging 14 to 16 inches, were taken in half an hour. Ralph reported the lake was still partially iced-over, and that the roads in the area were still impassable due to snow drifts so that entry was possible only on foot.

## RESIDENTS OF STATE CONSUME MUCH BEER

SACRAMENTO—(CNS) — Alcoholic beverages flowed at the rate of two fifths of liquor, three gallons, or 35 cans of beer and a half-gallon of wine per person during the first three months of 1960, a record volume the state board of equalization reported.

The board said revenues for the three-month period totaled \$11,154,373, up 20 per cent from a year ago.

Sale of distilled spirits during the quarter amounted to 5,990,000 gallons, a jump of 9.4 per cent over the same period in 1959, and brought in revenues to the state of nearly \$9 million.

Beer consumption during the first quarter was near the 50 million-gallon mark, up 8.2 per cent from last year. State taxes were about \$2 million which was up 117 per cent as the beer tax was increased from 2 cents to 4 cents a gallon last July 1.

During the quarter, wine sales

totalled 8,446,000 gallons, an increase of 9.7 per cent from a year ago, producing revenues of \$179,000.

The board said each category set new first-quarter records and the percentage increases were more than twice the percentage of the population growth of the past year.

### SMITH, CALKINS TO LEAVE TAHOE GROUP

Resignations of Raymond M. Smith, planning executive director of the Lake Tahoe Area Council, and Selby Calkins, assistant director of the council, were disclosed.

Both are resigning from the council to accept positions with the Crystal Bay Development Co., which has just announced purchase of the 9,000 acre Incline Valley on Lake Tahoe's Nevada north shore.

Smith, who has directed the council's activities since its reorganization on September 1, 1959, has resigned effective July 1. Calkins' resignation is effective June 15.

Smith will direct master planning and development for the huge Incline project, while Calkins will handle advertising and public relations. Both will be located at offices to be established at Incline by the development company.

"The separations are entirely amicable," Smith commented, with Calkins echoing his sentiments. "The new positions represent an opportunity to put the master planning objectives of the Lake Tahoe Area Council into actual practice on a large scale. The council's ideals in the field of regional planning are guiding the Incline project, so that the lake region as a whole must benefit from success at Incline."

### PLACER POPULATION SHOWS BIG INCREASE

AUBURN — Placer County's population in 1960 totals 53,675 persons, according to figures released by Ford Marshall, district supervisor of the census.

The housing count in the county is 21,507.

The county shows a gain of approximately 10,000 persons in the last ten years. The census of 1950 listed 43,370 persons.

In 1940 the county population was 28,108, and in 1930 it was 24,468.

The census supervisor said the large growth occurred at Lake Tahoe and in the areas of Roseville, Loomis and Auburn.

### COMMISSIONER GIVES VACATION WARNING

The summer vacation season is at hand and it is largely up to the individual motorist whether he and his family have safe, accident-free trips.

So says Bradford M. Crittenden, commissioner of the California Highway Patrol, who added:

"People cause accidents and they can prevent accidents if they will quit making driving mistakes. The mistakes may be something they do, like violating a traffic law, or they may be mistakes in judgment, like staying on the road until fatigue slows their reactions. Either way, the erring drivers cause needless injury or death to themselves and others."

The CHP head emphasized that in some 90 per cent of all death and injury accidents at least one driver violated a traffic law. Speed violations were the most numerous, followed by failure to yield the right of way. Other leading acci-

dent causing violations are improper turning, driving on the wrong side of the road and driving while intoxicated.

"The person best able to keep a driver out of trouble is the driver himself, Crittenden declared. "He alone can control his actions, and if he uses defensive driving techniques every moment he is behind the wheel, he stands a good chance of getting home alive and unhurt."

### NOTICE TO INTERESTED TAXPAYERS

The preliminary budget for the Truckee Fire District for the period of July 1, 1960 to June 30, 1961 has been adopted by the Board of Fire Commissioners of the Truckee Fire District, said Budget being as follows:

Maintenance and	
Operation .....	\$10,230.00
Capital Outlay .....	\$ 1,500.00
Wages .....	\$ 900.00

**TOTAL .....** \$12,630.00

Said budget is available at the office at the Fire House, Earl Stice, Secretary-Treasurer, Truckee, Nevada County, California for inspection by interested Taxpayers.

The Fire Commission of the Truckee Fire District will meet at the office in the Fire House, Truckee, Nevada County, California, at 10 a. m. on June 16, 1960 for the purpose of fixing final budget for the District. At that time and place any interested Taxpayer may appear and be heard in regard of the increase, decrease or omission of any item of the budget or for the inclusion of additional items.

N. F. DOLLEY,  
 President  
 Truckee Fire Commission,  
 Truckee Fire District.

### CANYON ROAD WAS OPENED 34 YEARS AGO

An interesting item, which appeared in the Colfax Record's "34-Years Ago" column, under date of June 4, 1926, follows:

Grading of the Truckee River highway has been completed and the Dog Valley grade and the Dog Valley summit have been eliminated from the highway system of California. A wide, safe highway

on practically a water grade from Truckee to the Nevada line has superseded the road over the summit, which tried the souls of the pioneers.

Completion of the 19-mile section through the scenic Truckee canyon was announced this week by Chairman Harvey M. Toy of the California Highway Commission.

The Rice Growers Association of California, with headquarters at Sacramento, was organized in 1921.

## BOARD TO CONSIDER LAND SWAP WITH COAST GUARD FRI.

The California Wildlife Conservation Board meets in Sacramento tomorrow to consider swapping about two acres of shoreline property at Lake Tahoe, near Tahoe City, for various services from the U. S. Coast Guard.

The board has purchased the property in 1951 for expansion of the Tahoe hatchery. However, the entire hatchery at the lake later was found to be uneconomical and discontinued, the Capitol News Service reports.

The state owns 11½ acres in the parcel, including 300 feet of lake frontage. The coast guard would need 2 acres, including 150 feet of frontage.

Rear Admiral I. E. Eskridge has informed the board the coast guard would provide these benefits if a coast guard station is constructed on the site.

Provide moorings and logistic support for state vessels.

Tie in a unified radio communication throughout the Tahoe area.

Provide water transportation for making wildlife surveys, conducting research and enforcing laws.

Provide temporary quarters for state personnel on official duties during the off season.

"Keep an eye" on the adjacent state property.

Eskridge noted, of course, that the coast guard's main function in locating at Lake Tahoe was to perform search and rescue and enforcement of safe boating practices at the lake and its cooperation with the state would be tempered by demands for its primary mission.

The department of fish and game and WCB staff have recommended deeding the two acres to the coast guard. Plans also have been considered for a public fishing access adjacent to the coast guard site.

## Bal Tabarin Open For 1960 Season

Ish Kabibble

CRYSTAL BAY—"Worth a million in laughs and entertainment" is the description of the grand opening acts sharing the spotlight of the big Bal Tabarin, on the scenic north shore of Lake Tahoe.

The two start acts, Kay Martin and Her Bodyguards and Ish Kabibble and His Shy Guys are both sensational groups that have played to standing ovations all over the country.

Kay Martin and Her Bodyguards is an outstanding vocal group whose harmonies are only surpassed by the dynamite-laden looks and voice of Miss Martin, a vivacious, voluptuous redhead with a soft, kitten-purr voice that matches her dynamic beauty.

Ish Kabibble... "the fella with the low cut bangs and the high kickin' cornet" will be remembered for his over 15 years of merriment with Kay Kyser and his "College of Musical Knowledge." The zany antics of the Ish Kabibble ensemble has figuratively "laid 'em in the aisles" in night clubs and supper clubs from coast to coast.

The Bal Tabarin, now managed by Lee Frankovich, dean of hotel men in Nevada, is readied for the biggest season in Tahoe's history report Mr. and Mrs. Lincoln Fitzgerald, new owners of the famed club.

## GOLF TOURNAMENT HELD BY TAHOE CLUB

TAHOE CITY—The invitational Golf Tournament held June 6 by the Tahoe Women's Club at the Tahoe City course honored members of the Reno Women's Golf Club and Hidden Valley Golf Club. Eighteen holes were played with awards given following a buffet luncheon.

Mrs. Malcolm Fox, tournament chairman and Mrs. Albert Henry, president, presided and presented the prizes to the following:

1st flight: low gross — Andrea Spears. Low net: Lois Haynes, Dorothy Flood and Sonja Karagiasian.

2nd flight: low gross — Miriam Flyge. Low net: Skippy Pussiti, Evie Grow and Louise Hawks.

3rd flight: low gross — Jan Gilbert. Low net: Eleanor Kottenger, Ruth Niehoff and Hita Lesperance.

Hole in one: Christine Bonino.

Carl Bechdolt donated the green fees, Bacchi's Inn donated chicken and ravioli, table decorations donated by the Ducharme Patio Shop. Others helping to make the tournament successful were: Sophia Baker, prizes, Fritz Briner, food chairman and those helping to serve the luncheon, Maxine Houston, Rie Henry, Elsie Bechdolt and Nadine Neugebauer.

## CADETS LEAVE FOR CAMP IN ARIZONA

Three young cadets of the Truckee Civil Air Patrol Squadron, Nevada Wing, left Monday for their summer encampment at Luke Air Force Base, Arizona. There they will rendezvous with their counterparts from the Arizona Wing.

Commander Houlgate and Chaplain Rhodes of the squadron bid farewell to Warrant Officer Weinand and Cadets Wirta, McReynolds and Weinand as they departed from the Truckee airport.

For two weeks they will live the life of regular air force people—caring for their own quarters, attending classes, and learning about air force living from officers of the base. All will have the opportunity to fly, and one lucky cadet will be chosen to take a jet ride.

In the evenings they will share in the social activities of the base at dances and movies.

Young people, ages 14 to 18, are invited to attend CAP meetings. Senior members over 18 years are engaged now in Flight Ground School classes leading to a pilot's license. Both groups meet at the Truckee High School, Monday nights at 7:30.

### DONNER PARTY

## REAPPRAISAL TO BE STARTED AT TAHOE

TAHOE CITY—July 5 will mark the beginning of the reappraisal season in the North Tahoe area. Placer County Assessor, Lloyd S. Geraldson stated today that recent legislation passed in the last general session will require a reappraisal of the county at least once every three years. It is his opinion that this will have the effect of establishing better equalization throughout the county and will also tend to keep property assessed values closer to the current market.

Six appraisers from the assessor's office will be in the lake region beginning July 5, and it is planned that they will spend about 90 days in the area.

While there will be no clerical staff at the lake, the appraisers may be contacted through the building inspector's office in the new county building, which is expected to be ready for occupancy during July. This building is located about a half mile east of Tahoe City.

Mr. and Mrs. Lauren Russell have had as their guests, Mr. and Mrs. Elliott McDugall of San Leandro.

Mr. and Mrs. Harold Langille entertained Mr. and Mrs. Jack Langille and daughter, Miss Shirley Langille, of Boise, Idaho.

Mr. and Mrs. A. E. Burlingham returned Tuesday from Sebastopol where they attended the high school graduation of her granddaughter, Melinda Sue Ramsey.

## AIRMAN REID GIVEN HONOR WITH ARMY

PAINE FIELD, WASHINGTON—Airman First Class Redford G. Reid, 25, son of John and Glau Reid of Truckee was the unanimous selection for base airman of the month at Paine Field, Washington. In a close race against representatives from each of Paine's squadrons, Reid's extensive knowledge of his duties, current affairs, and military courtesies, made him a decisive winner over the other entrants.

Reid, a graduate of Sierra Junior College at Auburn, is studying for the airman education and commissioning program. After duty hours he attends Everett Junior College. While in service, he completed the communications specialist school in Cheyenne, Wyoming.

He is married to the former Joann Slack of 2128 N. 193rd, Seattle, Washington. They have a son, John Harold, 4 months old.

## DEWEY GAMLIN WILL RETIRE FROM JOB

Dewey O. Gamlin, highway equipment operator, will retire July 1 after working over a period of 41 years with the state division of highways, according to Frank W. Fox, highway superintendent for the Truckee maintenance territory.

Born in Orosi, Tulare County, June 14, 1898, Gamlin received his schooling in Manteca, San Joaquin County. His first highway job came in 1919, and in 1931 he received his permanent appointment. In 1943 he was advanced to his present rating of highway equipment operator-laborer.

Gamlin lives with his wife Addie in Dutch Flat. They have three children and 10 grandchildren.

### To Disneyland—

Judy and Frances Ann McGinn were guests of their uncle and aunt on a trip to Disneyland following the close of school.

Mrs. Tony Polyanich of Reno entertained Truckee friends at a dinner Friday evening in her home.

## PERMITS REQUIRED FOR TAHOE BUILDING

TAHOE CITY—Guy T. Lavallee, building inspector for the Lake Tahoe portion of Placer County, warned that construction of buildings should not be started until after building permits have been issued.

"If people insist on starting construction without permits we will have to crack down to control violations," Lavallee stated. "A whole building went up in Kings Beach over the weekend and it was being

torn down Monday because it was unsafe."

Lavallee said particular attention should be paid to proper setbacks from property lines and pointed out permits are required for additions and remodeling projects as well as for new buildings.

He said it takes at least a week to process routine permits after applications have been filed and more time is needed for variances which must be approved by the planning commission or problems which require county health department action.

I DREAD GETTING ON THE SCALES AGAIN THIS MORNING

OH, DEAR---I'VE PUT ON A FEW POUNDS AGAIN

I WISH I COULD REDUCE---BUT I LOATHE DIETS AND I'M TOO LAZY TO EXERCISE

I MUST THINK OF SOME WAY TO FORCE MYSELF TO EXERCISE

A WEEK LATER

OH, BOY---I'VE LOST FIVE POUNDS--

--FROM ALL MY EXERCISE--

--- SINCE I HAD MY PHONE PUT IN THE ATTIC

R-RING

GEE, EDDIE! LOOK AT THAT KEEN DOG. WONDER IF HE BELONGS TO ANYBODY?

DOESN'T LOOK LIKE IT, BLACKIE. HE LOOKS LOST TO ME!

HOW'LL WE GET HIM TO FOLLOW US WHEN WE DON'T KNOW HIS NAME? WHAT'LL WE CALL HIM?

EVERY DOG HAS A NAME! HE MUST HAVE ONE, TOO!

LET'S CALL ALL THE NAMES WE CAN THINK OF! HE'S BOUND TO ANSWER TO ONE OF THEM!

STAND BACK SO HE CAN COME TO US WHEN HE HEARS HIS NAME!

HERE, SPOTTIE! HERE, SPOTTIE! HERE, SPOT!

HERE, FIDO! HERE, FIDO! HERE, FIDO!

HERE, PRINCE, O! BOY! HERE, PRINCE! HERE, PRINCE!

HERE, ROVER!

HERE, PAL!

HERE, REX!

HERE, FRISKIE!

HERE, MOPPET!

HERE, QUEENIE!

HERE, JUGHEAD!

HERE, KING!

HERE, DUKE!

COME, BROWNIE!

HERE, LADDIE!

C'MERE, DAN!

HERE, SPORT!

HERE, GEORGE!

HERE, PAL!

COME, TINY!

GOLLY! OUR DOG DOESN'T ANSWER TO ANY OF THOSE NAMES!

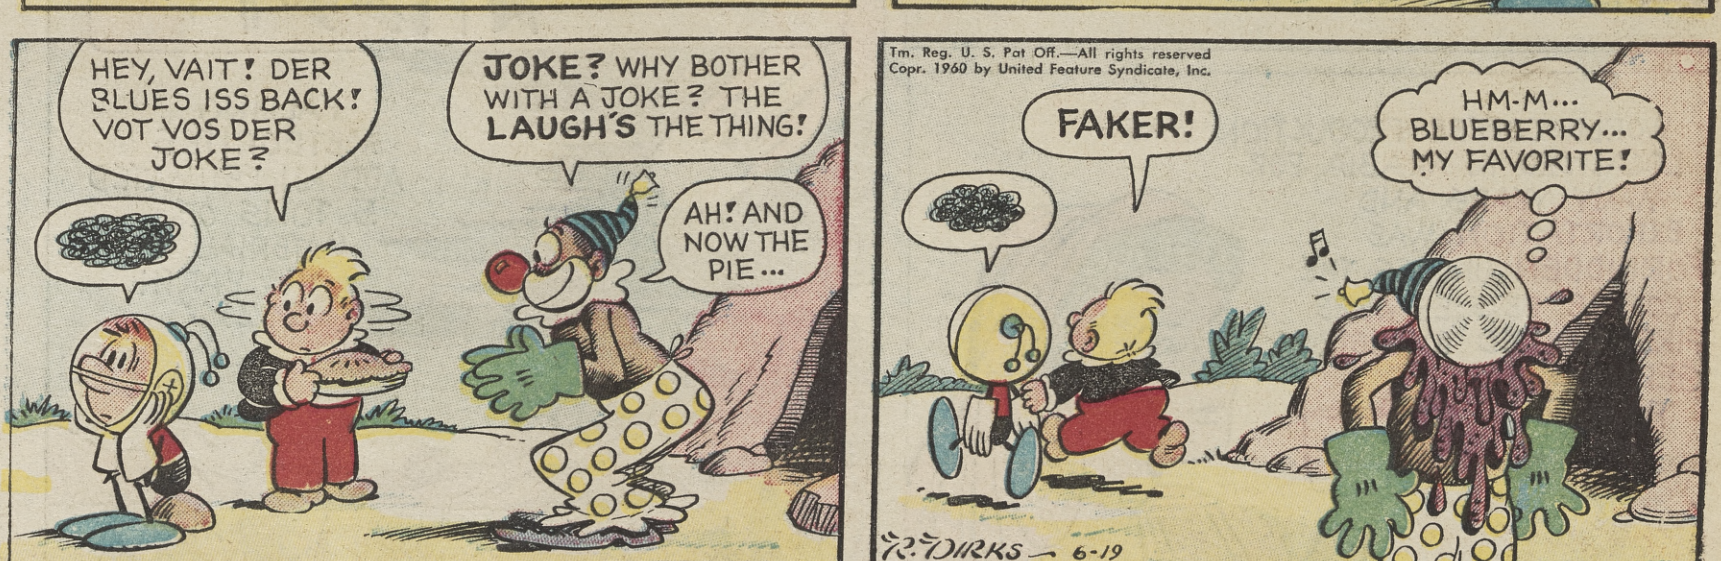

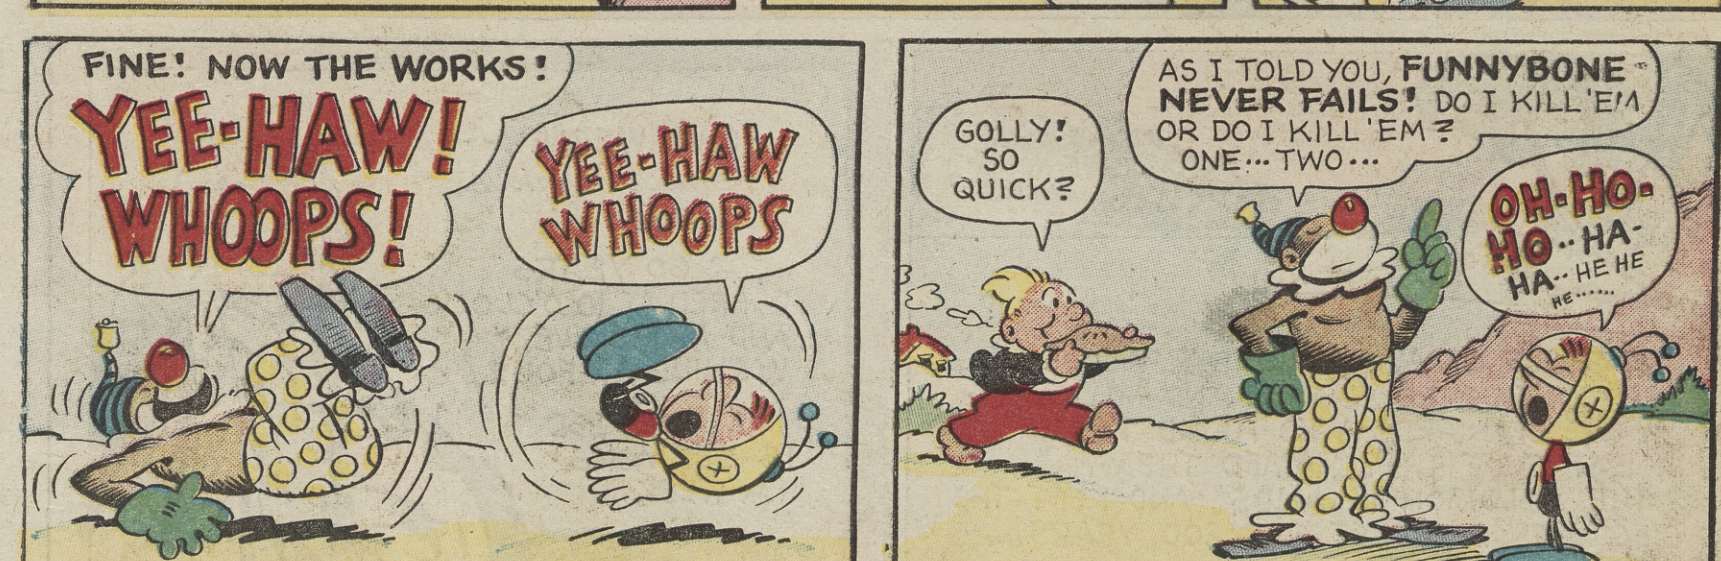

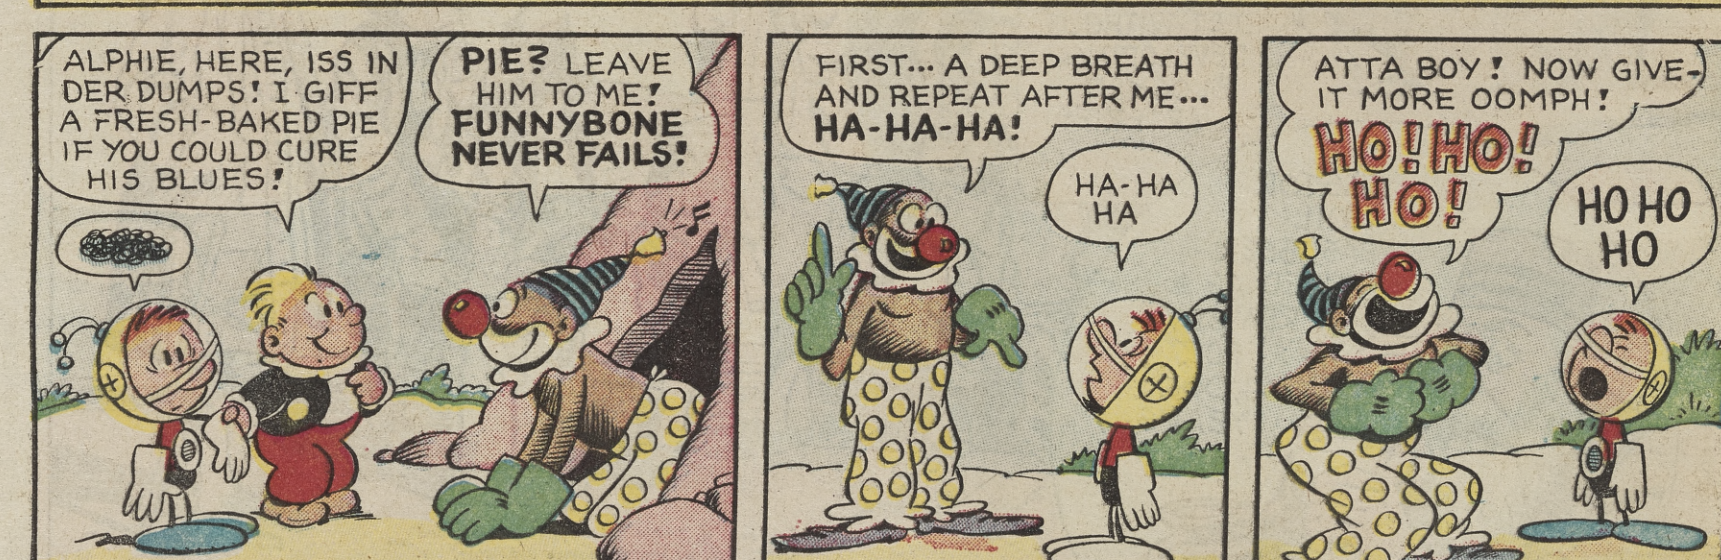

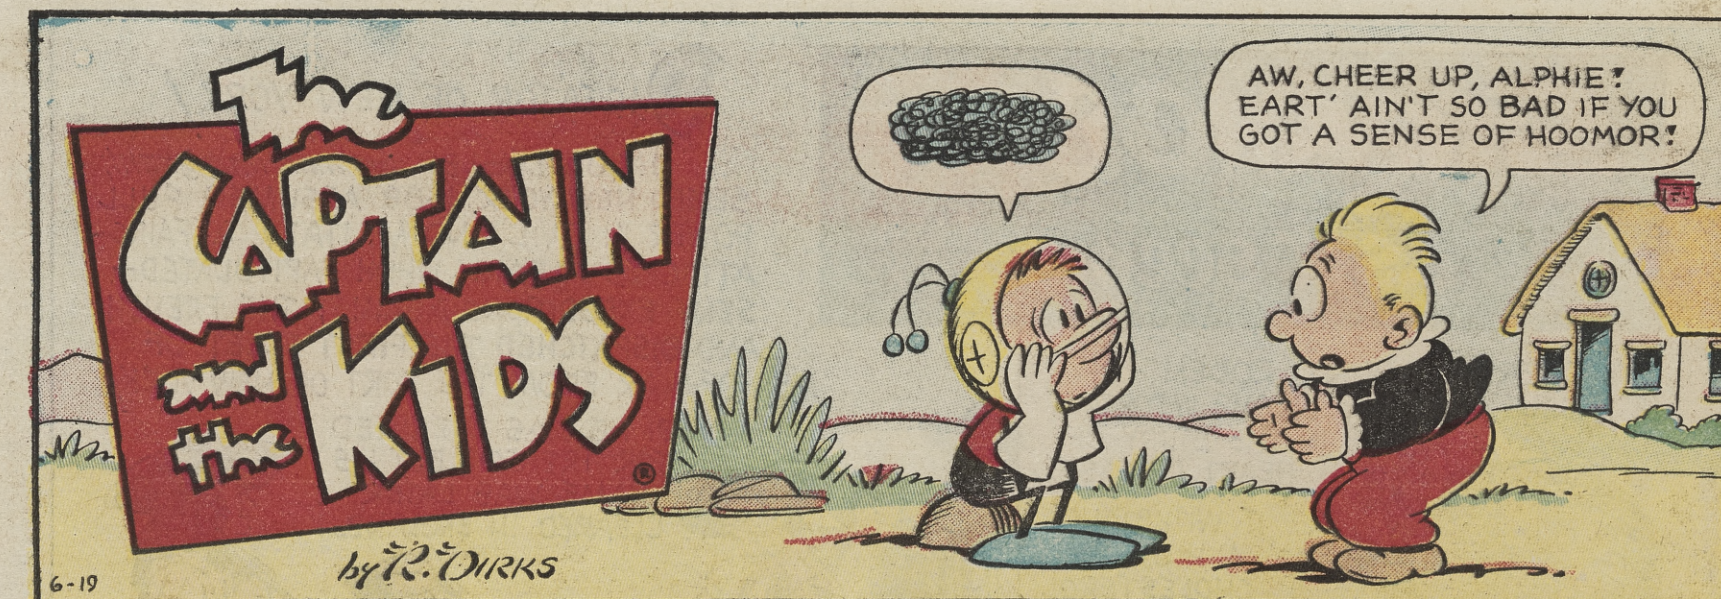

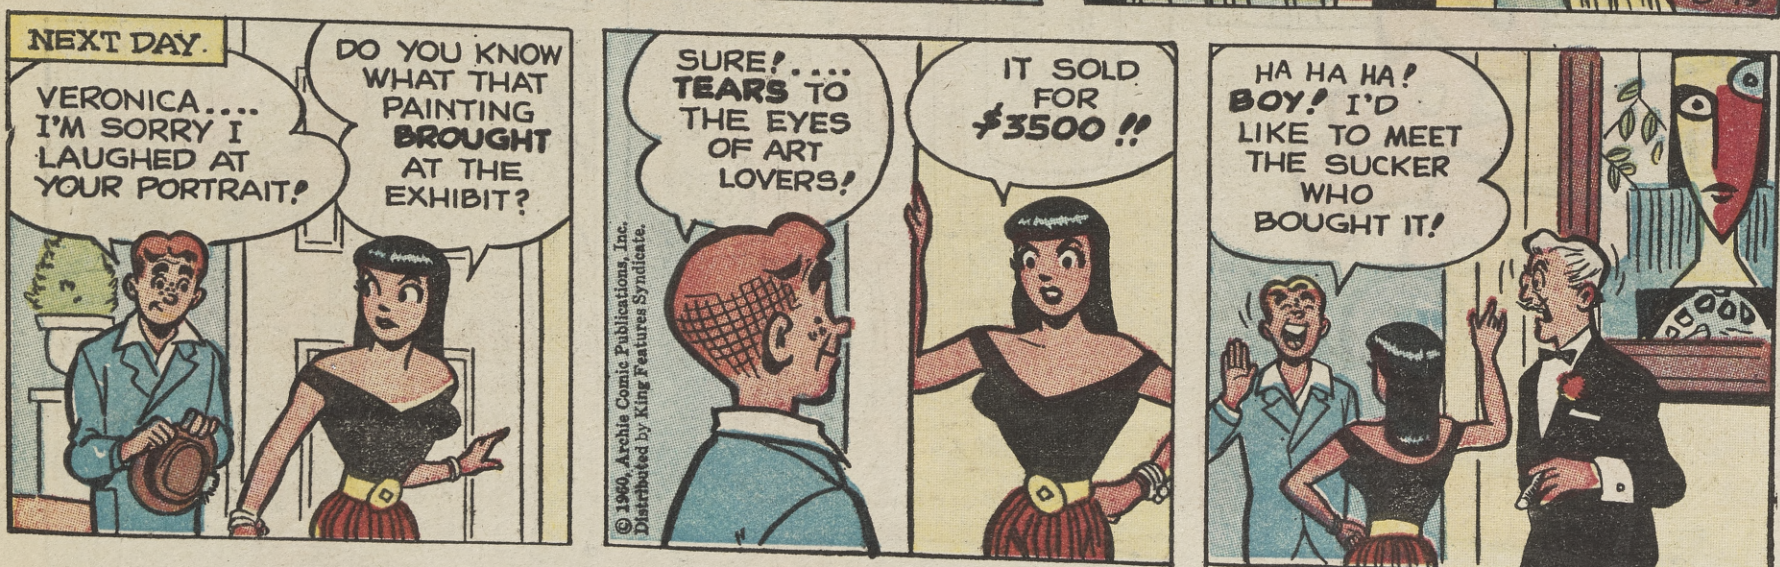

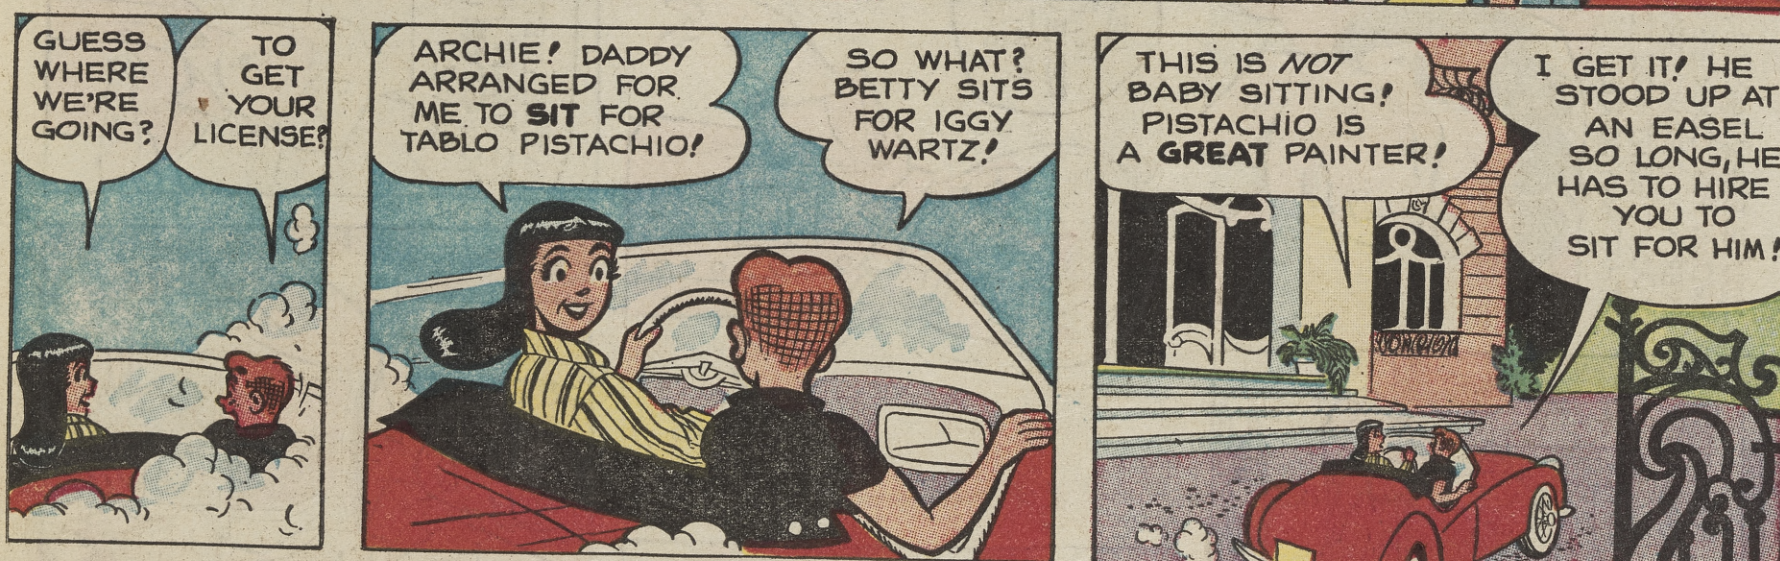

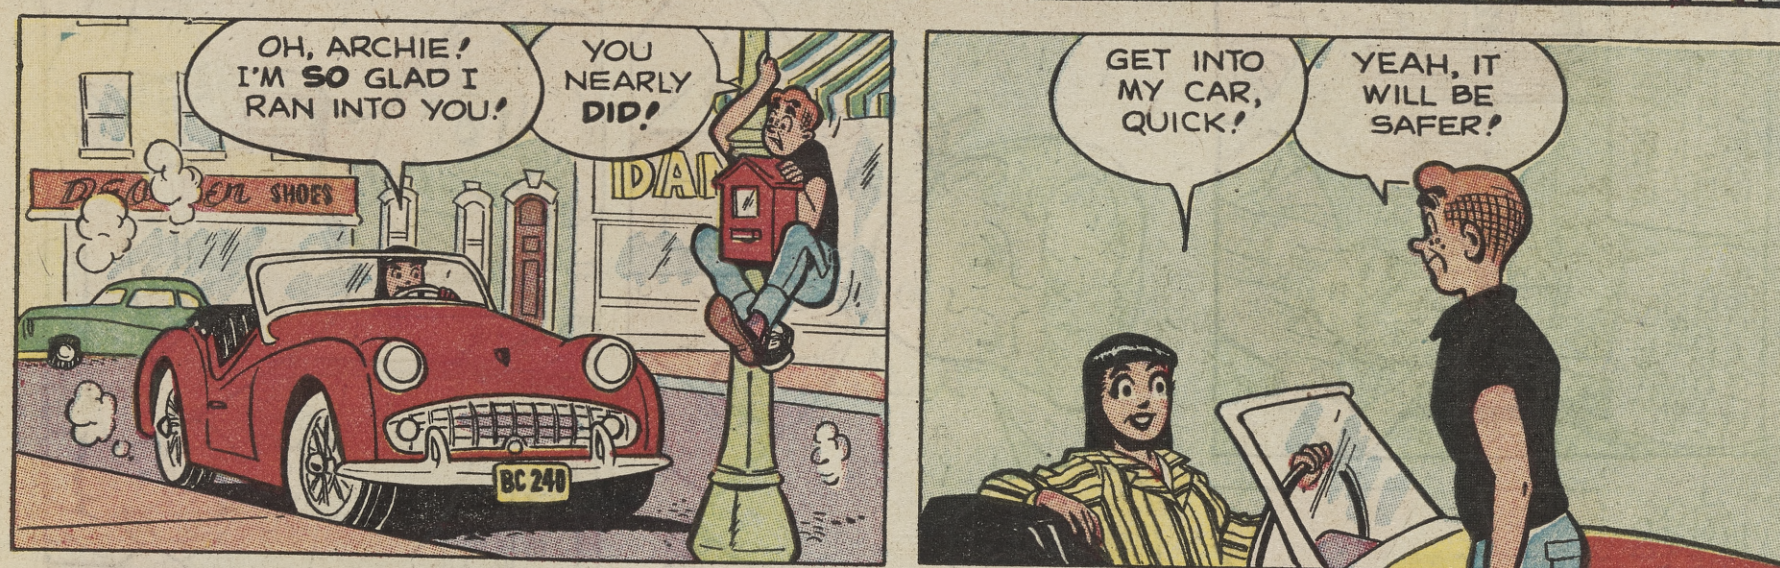

NO! BUT EVERY OTHER DOG IN TOWN DOES!

LEAVE IT, PAT. REMEMBER WHAT MOM SAID.

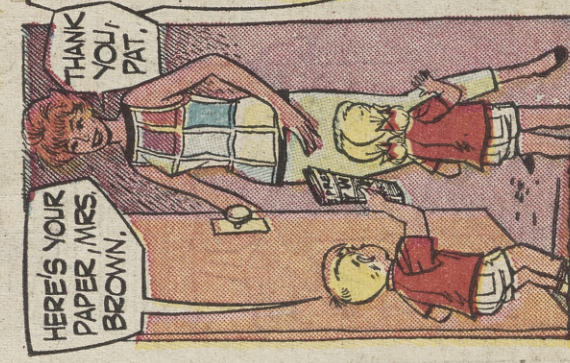

WE'RE JUST GOING TO WAIT HERE TILL YOU GIVE US SOME!

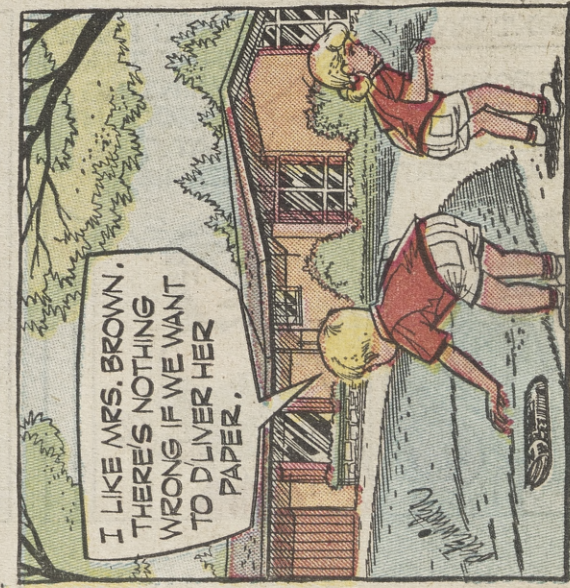

WE USED TO ASK YOU FOR COOKIES, BUT OUR MOM WON'T LET US ASK YOU ANYMORE.

THAT'S RIGHT. WE WOULDN'T THINK OF ASKING.

HERE'S YOUR PAPER, MRS. BROWN.

I LIKE MRS. BROWN. THERE'S NOTHING WRONG IF WE WANT TO DELIVER HER PAPER.
